- Safety Strap

Weight Restrictions

- Outposts weight limit is 125 lbs per person.
- This includes all of your gear, groceries, ice, pop and beer.
- Any extra weight availability on the aircraft is utilized for camp supplies.

Tips for Packing Light

- Pack a duffel bag rather than a suitcase.
- Substitute lighter items (footwear, toiletries).
- Coordinate within your group items which can be shared, such as insect repellent, mosquito coils, sunscreen, flashlight, batteries, depth finders.
- Combine some tackle with your fishing partner, such as jig heads, sinkers, filleting knives & stones, spare rods.
- If you require special medication, make sure to carry enough for your whole trip on your person.
- Do not bring those 40lb tackle boxes.
- Do not over-pack clothing.
- Do not bring more beverages than you will drink.

Remember:

- All garbage must be brought out with you.
- Bring canned beer, not bottled beer.
- Bring all gear packed in duffel bag, pack sack or plastic container.
- We cannot fly loose articles, including groceries.
- Groceries must be packed at a minimum in sturdy cardboard boxes.
- Small containers pack better in the aircraft.
- Baggage limit: Outposts limit is 125 lbs per person. Overweight will cost you!
- Emergency satellite phone available.
